The Board shall have the right to amend any Budget at any time in which event the portion of the Regular Assessments assessed against each Lot and the corresponding payment obligation of each Owner shall be adjusted accordingly, if applicable. Notwithstanding the foregoing, if any Budget for a fiscal year, or amendment thereof, may increase Regular Assessments allocated to a Lot and payable by an Owner by more than 15% from the immediately preceding fiscal year, such Budget must be approved by the affirmative vote of at least 51% of the Members entitled vote at such time.

(d) Special Assessments by Association. In addition to the Regular Assessments contemplated by Subsections 6.1(b) and (c) of this Declaration, the Board shall establish Special Assessments from time to time as may be necessary or appropriate in the judgment of the Board to pay (i) non-recurring Common Expenses relating to the maintenance, care, alteration, improvement, replacement, operation and management of the Property and the administration of the Association; (ii) capital expenditures necessary to replace Improvements on or within the Common Areas; (iii) additional Common Expenses if the Regular Assessments are not sufficient to cover all of the Common Expenses; and (iv) contractual and other liabilities of the Association that have been included in the Budget. Special Assessments so established shall be payable by and allocated among the total number of Lots and allocated to each Owner based upon the number of Lots such Owner owns within 30 days of receipt of notice of such Special Assessment, or as otherwise specified in such notice.

Section 6.2. Individual Assessments. In addition to the Regular Assessments and the Special Assessments contemplated in this Section 6, the Board shall possess the right, power and authority to establish or levy the Individual Assessments in accordance with the provisions of this Declaration against an individual Owner and its Lot for Charges properly borne solely by one or more but less than all Owners, such as (without limitation) charges for additional services, damages, fines or fees, interest, collection costs, attorneys' fees, insurance deductible payments, or any other amount owed to the Association by an Owner. The Individual Assessments shall be the personal obligation of the Owner against whom the Individual Assessment is assessed, and shall constitute a lien against the Lot in the same manner and with the same consequences as the Regular Assessment and any duly authorized Special Assessment.

Section 6.3. Lien and Personal Obligation to Pay Assessments. Declarant, for each Lot owned by it in on the Property, hereby covenants, and each Owner of a Lot on the Property is hereby deemed to covenant by acceptance of a deed to such Lot (whether or not it shall be so expressed in such deed), to pay to the Association the Assessments. Such Assessments shall be established and collected in the manner provided by this Declaration. The Assessments shall be a charge upon the land and a continuing lien on each Lot against which an Assessment is made. Each such Assessment, together with interest, costs and reasonable attorney's fees thereon, shall also be the personal obligation of the person or persons who owned the Lot at the time the Assessment fell due, but such personal obligation shall not pass to the successors in title unless expressly assumed by them. Declarant hereby reserves and assigns to the Association, without recourse, a vendor's lien on each Lot (including all improvements now or hereafter constructed, erected or developed thereon) to secure the payment of all Assessments levied on such Lot, together with interest, costs and reasonable attorney's fees thereon. Each Owner, by acceptance of a deed to a Lot, (a) accepts such Lot subject to and encumbered with the Assessment lien (with power-of sale) set forth in this Section 6, (b)

grants and confirms to the Association a contractual lien upon his Lot (together with all Improvements thereon) to secure all Assessments then or thereafter made against such Lot, and (c) expressly vests in the Association or its agents the right and power to bring all actions against such defaulting Owner personally for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for foreclosure and enforcement of such lien, including, without limitation, nonjudicial foreclosure. No Owner, other than Declarant as set forth in Section 6.5, shall be entitled to exemption from liability for the Owner's obligation to pay Assessments for any reason, including claims of (a) waiver of the use and enjoyment of the Common Areas or the recreational facilities as to which any Assessments relate; (b) an abandonment of the Lot or Improvements thereon; (c) offsets or reductions; and (d) the Association, or the Board or any other entity is not properly exercising its duties and powers under the Governing Documents. The Board may adopt and record in the Real Property Records an Assessments Policy setting forth guidelines and establishing an alternative payment schedule by which an Owner may make partial payments to the Association for delinquent Assessments pursuant to such guidelines (the "Past Due Payment Plan"). Any Assessment not paid on the date which such Assessment is due shall bear interest at the Past Due Rate as set forth in the Assessments Policy and shall be recoverable by the Association, together with interest as aforesaid and all costs and expenses of administering a Past Due Payment Plan, and other collection methods, including reasonable attorneys' fees, by suit in a court of competent jurisdiction or in a mediation or arbitration in the County pursuant to the provisions of Section 14 of this Declaration. It shall be the responsibility of the Association to collect any such delinquent Assessments, the existence of which shall be made known by written notice delivered to the defaulting Owner and, if requested, the Owner's Mortgagee pursuant to and in accordance with the Assessments Policy and the Act; provided, however, if the Association is not taking the action permitted in this Section 6.3 the Declarant may exercise such rights for its own benefit and the benefit of the Association.

Section 6.4. Lien to Secure Payment of Assessments. Subject to Section 6.9 of this Declaration, the liens established in this Declaration shall be prior and superior to all other liens and encumbrances subsequently created upon such Lot regardless of how created, evidenced or perfected, other than the liens for Governmental Impositions. So long as the Association satisfies the requirements set forth in the Act, and any other applicable Legal Requirement with regard to delinquent assessments and foreclosure of assessment liens, assessment liens created in this Declaration may be foreclosed on or enforced by any means available at law or in equity.

Section 6.5. Commencement of Obligation to Pay Regular Assessments. Regular Assessments as to a Lot shall commence on the date that Declarant conveys such Lot to an Owner other than Declarant. On the date of such conveyance, the new Owner of such Lot shall be obligated to pay to the Association an initial Regular Assessment, which initial Regular Assessment shall be an amount equal to the then current Regular Assessment prorated over the number of days remaining in such Regular Assessment Period. During the Declarant Control Period, Declarant is exempt from the obligation to pay Assessments on Lots or other portions of the Property it owns; however, Declarant may provide funding for shortfalls between funds necessary to fully fund the Association's required payments pursuant to the Budget and Assessments collected for a given year. Any such payments made by Declarant to the Association contemplated herein may be treated as a contribution, subsidy or a loan by Declarant in its absolute and sole discretion.

Notwithstanding the foregoing, the following Property subject to this Declaration shall be exempt from Assessments until such time as Declarant or the Board determines otherwise:

- (a) Property dedicated to a town, municipality, city or any other Governmental Authority;
- (b) Lots or other portions of the Property owned by Declarant or other areas reserved by Declarant as set forth on a Plat or other recorded instrument; and

(c) All Common Areas and Lots or any parcel of Property owned by the Association.

Section 6.6. Notice of Default. If an Owner defaults in the Owner's monetary obligations to the Association, the Association shall notify the Owner and other lien holders in accordance with the Act and shall state the Association's intent to foreclose its lien.

Section 6.7. Alternative Actions. Nothing contained in this Declaration prohibits the Association from taking a deed in lieu of foreclosure from an Owner or from filing suit to recover a money judgment for sums that may be secured by the Association's lien.

Section 6.8. Statement of Expenses and Access to Records. Upon proper delivery of a written request from an Owner to the Board or the Manager containing the requisite information as set forth in the Act, the Association shall provide current copies of or make reasonably available for examination, the requested books, records, financial statements and any other requested information maintained by the Association in accordance with the Bylaws, any record retention policy adopted by the Board and filed of record in the Real Property Records and the Act. The costs associated with compilation, production and reproduction of information contemplated in this Section 6.8 shall be set forth in the records retention, inspection, production, and copying policy adopted by the Board.

Section 6.9. Subordination of Lien for Assessments. The lien for the payment of Assessments shall be subordinate to the lien of any valid mortgage or deed of trust that secures lien indebtedness from an Owner for a Lot that was recorded prior to the date any such Assessment becomes delinquent under the provisions of this Declaration. Each Mortgagee of a mortgage encumbering a Lot for which the liens of this Declaration shall be subordinate and who obtains title to such Lot pursuant to the remedies provided in the deed of trust or mortgage or by judicial foreclosure shall take title to the Lot free and clear of any claims for unpaid Assessments or other charges subject to lien against such Lot to the extent accruing prior to the time such holder acquired title to such Lot. No such sale or transfer shall relieve such holder from liability for any Assessments or other charges thereafter becoming due or from the lien thereof. Any other sale or transfer of a Lot shall not affect the lien for Assessments or other charges.

SECTION 7 EASEMENTS

Section 7.1. Plat Easements, Dedications and Restrictions. All dedications, limitations, restrictions, and reservations shown on any Plat and all grants and dedications of easements, rights-of-way, restrictions, and related rights, made prior to the Property becoming subject to this Declaration are incorporated herein by reference and made a part of this Declaration for all purposes as if fully set forth herein and shall be construed as being adopted in each and every contract, deed, or conveyance executed or to be executed by or on behalf of Declarant conveying any part of the Property. Declarant reserves the right to make changes in and additions to the said easements and rights-of-way for the purpose of most efficiently and economically developing the Property.

Section 7.2. Easements. Each Owner accepts a deed conveying title to a Lot, subject to the Easements granted and reserved, as applicable, in this Section 7.2, which Easements (and all rights and obligations related to such Easements arising on or after the date of any transfer) shall run with the Property,

(a) Access Easement. Declarant hereby reserves and grants to the Association, its members, licensees, invitees, lessees, successors and assigns, a perpetual, assignable and non-exclusive access easement over, on and across the Property and each portion thereof to (i) exercise any right held by the Association under this Declaration or any other Governing Document and (ii) perform any obligation imposed upon the Association by this Declaration or any other Governing Document. Notwithstanding the foregoing, no

Person shall enter upon any Lot without reasonable prior written notice to the Owner of the Lot, except in cases of emergency.

(b) **Common Area Easement.** Subject to the provisions of this Declaration and the power of the Association to regulate the use of, and convey or encumber the Common Area as set forth in the Governing Documents, each Owner, and such Owner's Designees and Invitees shall have a nonexclusive easement over, upon, across and with respect to any Common Area as appropriate and necessary (i) for access, ingress and egress to the Lot of such Owner, Designee, or Invitee and (i) to use the Common Area for such other purposes permitted under the Governing Documents.

(c) **Drainage Easement.** Each Owner covenants to provide easements for drainage and water flow, as contours of land and the arrangement of Improvements approved by the Architectural Control Committee thereon require. Each Owner further covenants not to disturb or displace any trees or other vegetation within the drainage easements described in this Declaration or shown on a Plat. There shall be no construction of Improvements, temporary or permanent, in any drainage easement, except as approved in writing by the Architectural Control Committee. Declarant hereby reserves and grants a perpetual, assignable and non-exclusive drainage easement over, on and across the Drainage Facilities for its own benefit and for the benefit of each Lot (that is an intended beneficiary of such Drainage Facilities), the Property, the Owners and the Association for: (i) the use of the Drainage Facilities, and the ingress and egress to a Lot to access the Drainage Facilities, provided no other reasonable means of access exists; and (ii) maintenance, repair, replacement of and removal of obstructions or other matter adversely affecting the Drainage Facilities and drainage systems (including ingress and egress therefrom). Notwithstanding the foregoing, no person shall enter upon any Lot without reasonable prior written notice to the Owner of the Lot, except in cases of emergency.

(d) **Systems and Services Easement.** Declarant hereby reserves and grants a perpetual, assignable and non-exclusive drainage easement upon, across, over, and under all of the Property for ingress and egress in connection with installing, replacing, repairing, and maintaining all utilities, including but not limited to, water, gas, telephone, and electric lines and appurtenances thereto. By virtue of this easement, it shall be expressly permissible for the utility companies and other entities supplying service to install and maintain pipes, wires, conduits, service lines, or other utility facilities or appurtenances thereto, on, above, across and under the Property, within the public utility easements from time to time existing and from service lines situated within such easements to the point of service on or in any Improvement. Notwithstanding any provision contained in this Section, no electrical lines, water lines, or other utilities or appurtenances thereto may be relocated on the Property until approved by Declarant or the Architectural Control Committee. The utility companies furnishing service shall have the right to remove all trees situated within the utility easements shown on a Plat, and to trim overhanging trees and shrubs located on portions of the Property abutting such easements.

(e) **Easements Strictly Limited.** The Easements are for the benefit of Declarant, the Association, the Architectural Control Committee, Owners and certain Designees only. **THE EXERCISE OF ANY EASEMENT RESERVED IN THIS SECTION 7.2 SHALL NOT EXTEND TO PERMITTING ENTRY INTO ANY RESIDENCE CONSTRUCTED ON ANY LOT.**

(f) **Certain Exceptions.** None of the Easements reserved or granted in this Section 7.2 shall be used in a manner which materially adversely affects the structural integrity of any Improvements. Use and availability of any facilities or areas covered by the Easements are subject to the Governing Documents.

Section 7.3. Power to Grant Easements. Declarant, during the Declarant Control Period, and the Association thereafter (to the extent permitted by the Act) shall have the power to grant access, utility, drainage, water facility and any other easements in, on, over or under the Common Areas for any lawful

purpose, including without limitation, the provision of emergency services, utilities (including water, sanitary sewer, storm sewer, gas, and other energy services), telephone, cable television, fiber optic, and other telecommunication services, and other uses or services to one or more of the Owners. If an Owner requires an easement across any portion of the Common Areas from the Association and has obtained prior written approval from the Association for such easement, the requesting Owner shall be responsible for all costs and expenses incurred by the Association regarding the creation of such easement and shall promptly reimburse the Association such amounts.

Section 7.4. Mineral Interests. Some or all of the Property is subject to acquisition, reservation or conveyance of oil, gas and mineral rights pursuant to certain deeds and leases (the "Mineral Interests") recorded in the Real Property Records of the County prior to the date of this Declaration which include rights to all oil, gas or minerals lying in, on or under the Property, easements related to exploration, drilling, producing and transporting such oil, gas or minerals and certain surface rights of ingress and egress. These Mineral Interests are superior rights in the Property and are not affected by any provision to the contrary in this Declaration. Each Owner, by accepting title to or interest in a Lot, acknowledges the existence of the Mineral Interests and the attendant rights in favor of the owner of such Mineral Interests.

SECTION 8 MAINTENANCE RESPONSIBILITIES

Section 8.1. Maintenance.

(a) Maintenance of Lots. All maintenance, repairs and replacements of, in or to any Lot or Improvements thereon, ordinary or extraordinary, foreseen or unforeseen, shall be performed by the Owner of such Lot or Improvements in accordance with the Maintenance Standard and Architectural Guidelines.

(b) Maintenance of Common Areas. Except as otherwise provided in the Governing Documents or as otherwise maintained by a district described herein, the Common Areas shall be maintained by the Association, the cost and expense of which shall constitute a Common Expense and shall be payable as a Common Expense, as set forth in this Declaration. Nothing in this Declaration shall be deemed or construed as relieving any Owner from liability or responsibility for damage to the Common Areas caused by the negligence or misconduct of an Owner, Occupant or an Owner's Designees.

(c) Maintenance of Easements. Except as expressly provided in Section 7.2 of this Declaration, all maintenance, repairs and replacements of, in or to any Easement Area, ordinary or extraordinary, foreseen or unforeseen, shall be performed by the Owner of each Lot in which the Easement Area is located and in accordance with the Maintenance Standard. If the Easement Area is located in a Common Area, then all maintenance, repairs and replacements of, in or to any Easement Area, ordinary or extraordinary, foreseen or unforeseen, shall be performed by the Association and shall be payable as a Common Expense, as set forth in this Declaration.

Section 8.2. Owner Failure to Maintain. If any Owner fails or neglects to maintain, repair or clean any portion of its Lot or certain Improvements thereon, as required to be maintained by such Owner pursuant to the Governing Documents and by Section 8.1 of this Declaration, and such failure or neglect continues for an unreasonable time period in light of the surrounding circumstances as may be determined on a case by case basis by the Association, after Owner's receipt of written notice of such neglect or failure from the Association, then the Association may, but shall not be obligated to, enter the Lot, and take appropriate steps to perform, or cause to be performed, the maintenance obligations of the Owner required by this Declaration. The defaulting Owner shall, upon demand, reimburse the Association for

performing such required maintenance and all costs and expenses incurred in the exercise of its rights pursuant to this Section 8.2 or as otherwise set forth in this Declaration.

Section 8.3. Disputes. Any Dispute arising among any or all of the Owners or the Association as to the proper Person to bear a maintenance cost or expense shall be resolved in accordance with the provisions of Section 14 of this Declaration.

SECTION 9 INSURANCE

Section 9.1. Requirements. Unless otherwise determined by Declarant or the Board, all insurance coverage required of the Association pursuant to this Section 9 or purchased at the election of the Association shall:

- (a) be in such form and issued by responsible insurance companies licensed to do business in the State and shall be rated by Best's Insurance Guide (or any successor publication of comparable standing) as "A-,VI" or better;
- (b) be carried in a blanket form naming Declarant, the Association, the Board, and its respective officers and directors and employees of the Association as insureds;
- (c) provide that insurance trust agreements shall be recognized.

Section 9.2. Insurance by the Association. The Association shall maintain in force and pay the premium for a policy providing comprehensive public liability insurance for the benefit of the Association and its Members. The coverage limits under such policy shall be in amounts reasonably determined by the Board in accordance with the Governing Documents. Coverage under such policy shall include, without limitation, legal liability of the insured for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance, or use of the Common Areas, and legal liability arising out of lawsuits related to operation of the Association. Additional coverages under such policy shall include protection against such other risks as are customarily covered with respect to homeowners associations of communities similar to the Association's community. Such policy shall, by its terms, provide for "severability of interest" or shall contain a specific endorsement to preclude the insurer's denial of an Owner's claim because of the negligent acts of the management company, Association or any Member thereof. Unless indicated otherwise, the premiums for all insurance coverages maintained by the Association pursuant to this Section 9.2 shall constitute a Common Expense, and shall be payable by the Association.

Section 9.3. Insurance by Residence Owners. An Owner shall be responsible for obtaining and maintaining at such Owner's sole cost and expense insurance policies covering: (a) 100% of replacement cost of all improvements, additions and betterments made upon such Owner's Lot or in such other amounts established by the Board in accordance with the Governing Documents and (b) any other insurance required by any Mortgagee or other lender in relation to such Owner's Lot. Nothing in this Declaration shall be deemed or construed as prohibiting an Owner, at its sole cost and expense, from obtaining and maintaining such further and supplementary insurance coverages as such Owner may deem necessary or appropriate. Nothing in this Section 9.3 shall be construed to require the Association to monitor the existence or adequacy of insurance coverages on any Lots. The Association will not be required to maintain insurance on the Improvements constructed upon any Lot.

Section 9.4. Association as Insurance Trustee for the Owners. By acceptance of a deed to a Lot, each Owner shall be deemed to have irrevocably appointed the Association as the Insurance Trustee on insurance

policies obtained by the Association (whether the Association is identified as such in a policy). All property insurance policies required to be obtained by the Association as described in Section 9.2 of this Declaration may be issued in the name of the Association as Insurance Trustee for the property covered under such policies. Loss payable provisions shall be in favor of the Insurance Trustee as a trustee for the Association. The Insurance Trustee shall not be liable for the payment of premiums, nor the renewal or sufficiency of policies, except those policies required to be purchased and maintained by the Association pursuant to Section 9.2 of this Declaration and the Bylaws. The duty of the Insurance Trustee shall be to receive such proceeds as are paid and to hold or properly dispose of the same in trust for the benefit of the Owners and Declarant in accordance with the terms of the Governing Documents.

Section 9.5. Other. Neither the Association, Board, Declarant, any Owner nor each of their respective Affiliates shall be liable for failure to obtain any insurance coverage required by the Governing Documents or for any loss or damage resulting from such failure, if such failure is a result of such insurance coverage not being reasonably available.

SECTION 10 CASUALTY AND CONDEMNATION

Section 10.1. Casualty. If any Improvements located on any Lot are damaged or destroyed by fire or other casualty, the Owner of such Lot must, within a reasonable period of time, either (a) repair, restore and rebuild such Improvements (and any damage to Improvements not on the Lot caused by such fire or other casualty) in accordance with Plans approved by the Architectural Control Committee as provided in the Governing Documents; or (b) raze all of the damaged Improvements on the Lot, clear the Lot of all debris resulting from such razing, and seed or sod the Lot with grass.

Section 10.2. General Condemnation Provisions. If all or any part of the Common Area is subject to a Taking, the Association will be the exclusive representative of the Owners. The expense of participation in such proceedings by the Association shall be a Common Expense. The Association is specifically authorized to obtain and pay for assistance from attorneys, appraisers, architects, engineers, expert witnesses and other Persons as the Association in its discretion deems necessary or advisable to aid or advise it in matters relating to condemnation proceedings. The cost of any restoration or repair of the Common Area following a partial Taking shall be Common Expense.

SECTION 11 DEVELOPMENT RIGHTS

Section 11.1. Development Rights. In accordance with and only if permitted by the Act, Declarant reserves for itself during the Declarant Control Period in accordance with the Governing Documents, the following Development Rights to: (a) add real property to the Property as Annexed Property and designate or restrict uses on any portion thereof; (b) designate or create additional Lots and Common Areas, and to convert Lots owned by Declarant into Common Areas; (c) subject portions of the Property owned by Declarant to Supplemental Declarations, as Declarant may determine; (d) whether by Plat or otherwise, relocate boundaries between adjoining Lots owned by Declarant, enlarge or reduce Lots owned by Declarant, enlarge or reduce the Common Areas, reduce or diminish the size of portions of the Common Areas, split, combine, di vide or subdivide Lots owned by Declarant and change set back requirements; (e) establish specifications for construction of all Improvements, amend such specifications and complete or make Improvements on Lots owned by Declarant or construct Improvements on Common Areas; (f) create and use and permit others to use the Easements or any other easements pursuant to the Governing Documents; (g) merge or consolidate the Association with any other owner association within the Property; (h) amend this Declaration, maps or Plats in connection with the exercise of any Development Right; (i) change the permitted use of any portion of the Property that is owned by Declarant; (j) make amendments

to the Governing Documents; (k) market, promote, sponsor marketing events, erect and maintain signs and advertising in the Common Areas and other portions of the Property owned by Declarant or on Lots owned by Declarant or Builders; (l) maintain construction, sales, and management offices, signs advertising the Property, Lots and models, and to conduct general sales from such offices; (m) establish in the Common Areas, from time to time, by dedication or otherwise, public and private streets and utilities and other easements for purposes including public access, private access, paths, walkways, drainage, recreation areas, parking areas, and to create other reservations, exceptions and exclusions; (n) construct, in a way that does not materially adversely affect the development plans of any Owner, underground utility lines, pipes, wires, ducts and conduits, storm drains, detention ponds, and other facilities for the purpose of furnishing services to the Property; (o) approve or disapprove, during the Declarant Control Period, the recordation of any declaration; (p) appoint or remove any Architectural Control Committee member during the Declarant Control Period in accordance with Section 12.3 of this Declaration and create subcommittees and appoint members to such subcommittees of the Architectural Control Committee; (q) record an instrument surrendering a Development Right, or withdraw or de-annex a portion of the Property in accordance with this Declaration from the Property by recording in the Real Property Records a document evidencing such surrender, withdrawal or de-annexation of any portion of the Property; and (r) exercise any additional reserved right created by any other provision of the Governing Documents and any other right granted to Declarant by the Governing Documents.

Section 11.2. Annexation of Additional Property.

(a) **Manner of Annexation.** At any time after the date this Declaration is recorded in the Real Property Records, until the expiration of the Declarant Control Period, Declarant may with the consent of the owner of the portion of the Annexed Property to be annexed, if applicable, add Annexed Property to the Property by way of a Supplemental Declaration and make such Annexed Property subject to the Governing Documents. Declarant may subject any Annexed Property to all or any portion of this Declaration, to replat the Property and such Annexed Property as Declarant desires, and to create additional Lots and Common Areas from or out of such Annexed Property.

(b) **Effectiveness and Applicability of Provisions of Supplemental Declaration.** Effective upon the recording of a Supplemental Declaration in the Real Property Records, or as otherwise stated in such Supplemental Declaration: (i) the covenants and restrictions contained in this Declaration and the Governing Documents shall automatically, and without further action by any Person, apply to Annexed Property in the same manner that such covenants and restrictions apply to all other portions of the Property; and (ii) any lien arising from ownership or construction upon Annexed Property shall affect only such Annexed Property and Improvements located thereon.

Section 11.3. Withdrawal of Real Property. Declarant may, at any time and from time to time, withdraw any portion of Property from the burden of this Declaration and the jurisdiction of the Association for any reason. Such withdrawal shall be accomplished by the execution, acknowledgment and recordation of a written notice of withdrawal (the "Withdrawal Notice") in the Real Property Records. The Withdrawal Notice shall: (a) be executed and acknowledged by Declarant and the Owner of the portion of the Property to be withdrawn without the necessity of the joinder or consent of any other Person; (b) contain an adequate legal description of the portion of the Property to be withdrawn; and (c) contain a statement and declaration that the portion of the Property withdrawn shall no longer be burdened by this Declaration and shall no longer be subject to the jurisdiction of the Association. The withdrawal shall be effective upon recordation of the Withdrawal Notice in the Real Property Records of the County. Nothing in this Section 11.3 shall be interpreted to prohibit later annexation of any withdrawn Property.

Section 11.4. No Approval Required for Exercise of Development Rights. No approval of any Owner or its Mortgagee shall be required for the exercise of any Development Right. Declarant may exercise any

Development Right on all or any portion of the Property and in whatever order determined by Declarant. Declarant shall not be obligated to exercise any Development Right or to expand the Property beyond the number of Lots initially submitted. The exercise of any Development Right as to some portion of the Property shall not obligate the Declarant to exercise any Development Right as to other portions of the Property. No provision of this Declaration shall be construed to prevent or limit Declarant's right, and Declarant expressly reserves the right, to complete the development of the Property within the boundaries of the Property and to construct or alter Improvements on any Property owned by Declarant within the Property.

Section 11.5. Zoning. No Owner other than Declarant may apply for any change in the zoning of any portion of the Property without Declarant's prior written approval. Each Owner shall fully cooperate with Declarant in executing all documents, providing all information, and taking or refraining from taking any action as may be necessary or appropriate to effectuate any zoning change requested by Declarant. Any costs and expenses incurred by Declarant or the Architectural Control Committee relating to the obtainment of a zoning change on behalf of an Owner shall be reimbursed by such Owner.

Section 11.6. Rights Transferable. Rights created or reserved under Section 11 of this Declaration for the benefit of Declarant may be transferred to any Person by an instrument executed by Declarant and the transferee describing the rights transferred and recorded in the Real Property Records.

SECTION 12 DEVELOPMENT CONTROL

Section 12.1. Required Approval. The Plans for initial construction of any Improvements on a Lot must first be submitted to and approved in writing by the Architectural Control Committee prior to the commencement of any work on such Improvements. Changes to the exterior of any building (after initial installation or construction) on a Lot that meet the following criteria must first be submitted in writing to and approved in writing by the Architectural Control Committee: (a) any addition to the exterior of an Improvement; (b) a change or alteration to the architectural style and character of an Improvement including the exterior appearance, finish material, color or texture; (c) any addition of an accessory or additional structure on a Lot; (d) any change that results in a substantial change to the roof plane or lines of an Improvement; (e) demolition or destruction by voluntary action of any Improvement; (f) installation or modification of any landscaping or fencing; or (g) any grading, excavation, filling or similar disturbance to the surface of any portion of a Lot including change of grade, change of ground level, or change of drainage pattern. The Architectural Control Committee may require other information be submitted with applications as further described in the Architectural Guidelines. Any Owner of a Lot, excluding Declarant, shall not be permitted to divide or sub-divide such Owner's Lot, nor convey any easements or other interests in the Lot less than in their entirety without the prior written approval of the Architectural Control Committee.

Section 12.2. Establishment of the Architectural Control Committee. The Architectural Control Committee shall be established by Declarant, and may initially consist of up to five members appointed by Declarant. Declarant shall have the continuing right to appoint and remove all members of the Architectural Control Committee during the Declarant Control Period. The Board shall have the right to appoint and remove members of the Architectural Control Committee upon the expiration or termination of the Declarant Control Period. Members of Architectural Control Committee after the expiration or termination of the Declarant Control Period shall serve for a term as may be designated by the Board or until resignation or removal by the Board. After the Declarant Control Period, the Board may, at any time and from time to time change the authorized number of members of the Architectural Control Committee, but at no time shall the number of members of the Architectural Control Committee be less than three. A majority of the Architectural Control Committee shall constitute a quorum of the Architectural Control Committee, and a

vote of the majority of the Architectural Control Committee members present at any meeting where a quorum is present shall be required for the Architectural Control Committee action. Declarant may, from time to time, during the Declarant Control Period, adopt, promulgate, amend or otherwise revise the Architectural Guidelines, or any other standards, rules, regulations and procedures governing development control of the Property for the purposes of (a) further enhancing, defining, or interpreting which items or Improvements are covered by Section 12 of this Declaration; and (b) providing for changes in technology, industry standards, style, materials, safety issues, consistency with updated building codes or Legal Requirements, or for any other reason that Declarant deems to be proper, necessary or in the best interests of the Property; provided that neither Declarant nor the Architectural Control Committee in its review or approval of any matter, shall be deemed to be giving any opinion, warranty or representation as to compliance with any of the matters set forth in this Subsection 12.2, the Declaration or any other Governing Document.

Section 12.3. Delegation of Control. The Architectural Control Committee shall have the right, subject to the prior written approval by Declarant during the Declarant Control Period, to delegate its rights and obligations under Section 12 of this Declaration to any subcommittee of the Architectural Control Committee. Any such delegation may be revoked by the Architectural Control Committee, at any time.

Section 12.4. Architectural Guidelines. The Board may adopt Architectural Guidelines from time to time. The Architectural Guidelines shall not be inconsistent with the provisions of the Governing Documents, as both may be amended and if there are any inconsistencies, the provisions of the documents shall control in the order that is set forth for the Governing Documents in Section 2.4 of this Declaration.

Section 12.5. Reply and Communication. The Architectural Control Committee shall respond to applications made in accordance with this Section 12 within the time periods and in the manner as set forth in the Architectural Guidelines. All communications and submittals shall be addressed to the Architectural Control Committee in writing at such address as the Architectural Control Committee may designate in the Architectural Guidelines. Any approvals granted by the Architectural Control Committee, or its designees, shall be granted solely for the benefit of the applicant only with respect to its application and shall not be construed as an approval for any other Person, Owner or Occupant planning to perform the same or similar type construction, architectural change or other improvement for which an application would be necessary pursuant to this Declaration and the Architectural Guidelines.

Section 12.6. Variances. The Architectural Control Committee may grant variances or adjustments from the Architectural Guidelines or from any conditions and restrictions imposed by this Section 12 pursuant to variance criteria established by the Architectural Control Committee and as may be set forth in the Architectural Guidelines.

Section 12.7. Appeal Rights of Owners. If any request by an Owner under the provisions of this Section 12 is disapproved by the Architectural Control Committee, then the applicant shall have the right of appeal to the Board. In considering the appeal, the Board can overturn the Architectural Control Committee's decision if the Board determines, in its sole discretion that the Architectural Control Committee abused its discretion or acted in an arbitrary or capricious manner. Notwithstanding the foregoing, and during the Declarant Control Period, the Board, in its sole discretion, may overturn the Architectural Control Committee's decision of disapproval for any reason whatsoever.

Section 12.8. No Deemed Waivers. No action or failure to act by Declarant, the Architectural Control Committee or by the Board shall constitute a waiver or estoppel with respect to any future action by the Architectural Control Committee or the Board, with respect to any Improvement to a Lot. Specifically, the approval by the Architectural Control Committee of any Improvement to a Lot shall not be deemed a waiver of any right or an estoppel to withholding approval for any similar Improvement to another Lot or any

SECTION 14 MATTERS FOR MEDIATION AND ARBITRATION

Section 14.1. **Mediation.** All Disputes, except those relating to equitable remedies, which are not resolved within 15 days after same have arisen (unless such greater time is provided elsewhere in the Governing Documents) shall be submitted for, or determined by, non-binding mediation as a condition precedent to arbitration. Mediation of any Dispute shall be initiated by any Owner making a written demand therefore to the other Owner or Owners involved in such Dispute and the Association. With respect to such mediation, the parties shall, within ten days after delivery of such written notice to the Association, agree upon a mediator who is: (a) a reputable Person actively engaged in the commercial real estate industry for a continuous period of not less than ten years; and (b) is in no way affiliated, or has had material business dealings with any Owner. If the parties are unable to agree upon a mediator, a mediator having the qualifications set forth in this Section 14.1 shall be appointed by the American Arbitration Association office in the County. Such mediation shall occur within 30 days after the mediator has been agreed upon or appointed and shall occur at a mutually acceptable location in as determined by the parties. The costs of such mediation services shall be shared equally (but each party shall bear the cost of their own travel and attorneys' fees); provided, however, that if the Dispute is not resolved pursuant to such mediation, the provisions of Section 14.2 of this Declaration shall govern the payment of attorneys' fees and costs and expenses of mediation and arbitration.

Section 14.2. **Final Offer Arbitration.** If the parties reach an impasse at mediation, as determined by the mediator in the mediator's sole and absolute discretion, and are unable to resolve any Dispute, any party to the Dispute may initiate binding arbitration (as the exclusive remedy with respect to a Dispute under this Declaration) by making a written demand therefor to the other parties involved in such Dispute no later than 30 days after the mediator declares that the parties have reached an impasse at mediation. The parties agree to select a single impartial arbitrator from a list taken from the American Arbitration Association within 15 days of submitting the Dispute to arbitration, and if they cannot agree on an arbitrator, each party shall select an individual and those two so selected shall then select the single impartial arbitrator who shall thereafter serve as arbitrator with respect to the Dispute. The issues in dispute shall be submitted as "baseball" or final-offer arbitration, whereby each party shall submit what it deems to be its most reasonable position to the arbitrator and the arbitrator shall select one of those two positions. The arbitrator shall have no discretion to select or award a position other than to select one of those submitted by the parties. To the extent rules governing arbitration are deemed necessary by the arbitrator (or by agreement of the parties), the current rules applicable to such arbitration promulgated by the American Arbitration Association shall apply. The decision of the arbitrator shall be rendered no later than ten days from the initiation of the arbitration procedure. The parties may resort to any court of competent jurisdiction for enforcement of, or any other action relating to, the arbitrator's award. The party or parties whose position is not selected or awarded shall be responsible for all attorneys' fees, costs and expenses (incurred in connection with the mediation and arbitration of a Dispute under Section 14 of this Declaration) of the party whose position is selected or awarded for the arbitration of the Dispute under Section 14.

Section 14.3. **General.** With respect to any Dispute it is agreed that the dispute resolution provisions of Section 14 of this Declaration shall be the sole remedy of the parties involved in such Dispute. Notwithstanding any other provisions of this Declaration, the foregoing agreement to arbitrate and other agreements to arbitrate with an additional Person duly consented to by the parties shall be specifically enforceable under prevailing arbitration law in any court having jurisdiction thereof. The foregoing agreement to arbitrate shall not constitute any agreement or consent to arbitration of any dispute, Claim, controversy or matter that does not constitute a Dispute, as applicable. The foregoing agreement to arbitrate any Dispute shall not constitute any agreement or consent to arbitration with any Person not named or described in this Declaration; provided that any arbitration proceeding initiated under the terms of Section 14.2 of this Declaration may, at the request of any party, be joined or consolidated with other arbitration proceedings involving additional parties if the Dispute and the subject of such other proceedings arise out of common or interrelated factual occurrences. Any award of the arbitrator shall be final and binding upon the parties involved in the Dispute and such Mortgagees and non-appealable judgment thereon may be entered by any court having jurisdiction.
